Dear Ms. Lee

In 1979, I purchased a refrigerated railroad car from Jesmond Dean, International. Jesmond Dean had acquired the car from Southern Pacific Railroad.

The car was delivered to Packers Cold Storage and assigned #PSCX 1010 as its number. Subsequently, the car was delivered for service to Lamb Weston and given a new number, REMX 1069 under contract with the R.E.M.X Corporation.

I have enclosed the originals and one notarized copy of three documents which outline these transactions:

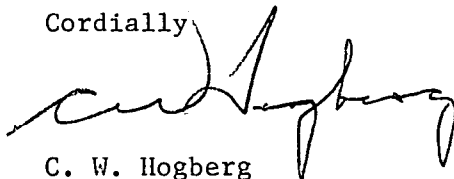

1. The Bill of Sale
2. The March 13, 1980 letter from REMX.
3. The March 14, 1980 letter.

I would like to have this purchase recorded in my name. If you think it is necessary, I would be happy to also send the management contract.

Thank you for your help. After recording, I would appreciate the return of the original documents and a letter from you acknowledging the recording.

Have a Good Day.

Cordially
